**FOOD BANK
OF THE ROCKIES®**

FIGHTING HUNGER. FEEDING HOPE.

Mission

We help families thrive by efficiently procuring and distributing food and essentials to the hungry through our programs and partner agencies.

Vision

Make food security a reality for every Colorado and Wyoming family.

Our service area
spans
146,093 square miles.

Your Support Helped Us Bring Hope to Struggling Families Last Year

Food Bank of the Rockies is proud of what we've accomplished in 2019. This has been a year of exciting changes and milestones.

We introduced our new leader, Erin Pulling, who will champion her vision to take Food Bank of the Rockies to new levels of excellence.

We've enhanced technology, increased access to fresh produce, supported more mobile pantries, welcomed new grocery and hunger relief partners, and reached a milestone in pounds distributed – more than 70 million. However, our success is measured in much more than statistics and pounds.

Together, we're making an impact.

Every time a child goes to bed nourished because of Kids Cafe or starts their Saturday with a wholesome breakfast thanks to Totes of Hope®, together, we're making an impact.

When older adults know they won't have to choose between food and medicine because they've received a nutritious grocery box, together, we're making an impact.

Whenever men, women, and children facing hunger have peace of mind and a hearty meal because of Food Bank of the Rockies' programs and partner agencies, together, we're making an impact.

Together, we're changing lives. Behind the numbers in this report are real people receiving food and hope.

As Food Bank of the Rockies continues to evolve, together with our community, we'll explore how to make the largest impact on food insecurity in Colorado and Wyoming. Our hunger relief partners, volunteers, and donors are a critical part of Food Bank of the Rockies' work. We are grateful for your support and it's because of you that we've come so far in the last 41 years. We promise to be good stewards of your gifts, and to keep our neighbors facing hunger at the center of every decision we make.

Thank you for sharing your gifts of time, food, and funds so Food Bank of the Rockies can nourish our community. We're honored you've joined us in this important work.

With sincere appreciation,

Doug Wilhelm

Lyndie's Family Finds Hope

Lyndie visited our mobile pantry in the suburbs outside of Denver. She and her partner are raising four children, ages 6 - 11. Recently Lyndie was laid off from her job. Her partner works, but his income doesn't cover all the family's expenses. Lyndie was excited to see fresh fruit and vegetables, chicken, and other items to help feed her family.

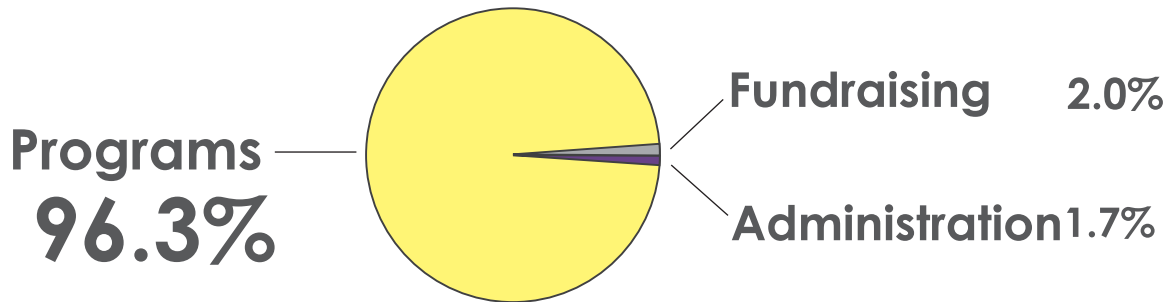

"The kids eat a lot and I love that you have salad and fresh, healthy foods," she tells us. "I never imagined I'd need to go to a food pantry. Life can bring unexpected turns. I'm so grateful this pantry is here."

Lyndie hopes her family will be back on their feet soon. In the meantime, the pantry gives the family nourishment and peace of mind during a difficult time.

Our team distributed 70,024,408 pounds of food in fiscal 2019!

Phyllis Helps Her Neighbors

Phyllis seems much younger than her 91 years. She's legally blind, but you'd never know it. Her spunk and energy radiate through the room. Once a month, Phyllis volunteers to distribute grocery boxes to the residents at her retirement community. This month, she handed out eighty 40-pound boxes.

Helping others brings joy to Phyllis, especially since this food is important to her and to her neighbors. Everyone in her building lives on very low fixed incomes.

"If they didn't have this food, some of the people would really need help at the end of the month," she shares.

We appreciate each of the 20,321 volunteers who shared 204,557 hours of time in fiscal 2019.

Below we're recognizing groups who've contributed 300 hours or more and individuals contributing 100 hours or more over the past fiscal year.

Congratulations Judy Sugino-Barron, 2019 Betty Van Hook Memorial Award Winner

Judy Sugino-Barron and Erin Pulling

Each year, Food Bank of the Rockies honors a special volunteer with the Betty Van Hook Memorial Award. Recipients emulate the spirit of Betty, a long-time Food Bank of the Rockies volunteer who gave her time tirelessly, even while battling cancer. This year, we're delighted to present the award to Judy Sugino-Barron.

Judy selflessly gives her time, dedicating several Saturdays each month to help us wherever we need her. She assists and directs other volunteers with a smile, and she's a delight to work with. Judy's energy brightens our day.

Judy started volunteering through her workplace's annual giving day and enjoyed it so much, she volunteers several Saturdays each month. Reclamation is her favorite area. Judy likes working with others and knowing the food we distribute is safely sorted, boxed and ready for our partner agencies to share with food insecure families in their communities.

"Folks with food insecurity have to make hard decisions on whether they can have a meal or pay for their utilities, rent or other basic needs. Anything I can

do to help out is gratifying," Judy shares. "We have a great nation that offers a lot. If there's anything we can do to give back, I think we should."

Judy is always amazed at how dedicated the volunteers are, the great energy they bring, and how much a small group of caring people can accomplish in such a short time.

Congratulations Judy! Thank you for giving back with enthusiasm and sharing your positive spirit with Food Bank of the Rockies. We're so grateful for your gift of time!

"We make a living by what we get.
We make a life by what we give."

- Winston Churchill

Contributions

Every gift we receive helps us distribute food to people in need. We thank all of our donors for caring about our mission. You make a difference. This report lists donors giving \$2,500 or more and food donors who've contributed 10,000 pounds or more. We acknowledge that every gift, no matter how large or small, helps us feed our community. Every dollar helps us provide four meals for our neighbors who might otherwise find their pantries empty. We honor each and every donor and extend our deepest gratitude for your gifts to nourish our neighbors facing hunger. Thank you!
